Dear Friends,

Welcome to Frank, Julia & Joe, Lou & Peter, Nancy, Eugene, Howard and Judith who joined us in March! We look forward to getting better acquainted in the coming days.

April is for celebrating our volunteers! We want to thank all of our volunteers throughout the year that assist with activities, bring communion and bible study, pamper us and share their time with us. We appreciate them every day. We're glad April is here and it's time to celebrate them. Each volunteer shares a different talent and treasure with us, and we are so thankful for each one. Most importantly they share themselves and for that we say THANK YOU!

The broadest, and maybe the most meaningful definition of volunteering:  
Doing more than you have to because you want to, In a cause you consider good.  
- Ivan Scheier

Volunteers don't get paid, not because they're worthless,  
but because they're priceless.  
- Sherry Anderson

Wishing you an amazing April!

Best,

***Melissa***
